

CONSULTATION ON THE CITY COUNCIL BUDGET: COMMENTS BY 23 DECEMBER

Each autumn, Canterbury City Council publishes its draft budget for the coming financial year. This year's budget is being prepared against a backdrop of some of the toughest economic conditions seen for over half a century, with cuts falling particularly on local authorities. Canterbury City Council is using a survey to collect views on some specific proposed cuts and also welcomes comments on other areas. All comments should be in by 5.00 pm on Thursday 23 December. For more information see:
